**Art Club
Beings
10/10!!!**

I know it's a shock, but sometimes our middle school students don't always come home and share information! 😁

Here are just a few items: PLEASE read to the end.

1. We'll start with Halloween, and work back! At CHC we do not wear costumes nor masks, and we don't have parties.

Here's the super thing we ALL do together.....

Everyone wears **PINK to scare away cancer...October 31st.**

So many families have been touched by cancer, and the survival rate is rising in record numbers! Since October 31st is the end of the month that highlights cancer awareness, we have a good time with **Pink** together!

2. **THE FALL RECESS** begins on Monday, October 16, and students will return to CHC on Monday, October 30. **READING** for fun every day is our suggestion!

3. **Student-Led Conferences** are next week: Wednesday, October 11 and Thursday, October 12. Our Goal is to see and talk to **100% of our students' families!**

While you are here, you can feed a family of 3 for \$5. Or a family of 4 or more will be \$10 flat. Hot dog, chips and a drink. Mr. Kendall will be open 4:45-7:15pm in the lobby for your dining pleasure!

4. Finally, **YIKES**. Just recently we have had two incidents in which a student recorded (video or audio) another person at school.

It sounds like no big deal! **IT IS A HUGE VIOLATION!** At school children cannot video or record anyone. **'Against the law.**

All students were reminded October 4 and 5. If a child does record, it is a 5-day out of school suspension, and the device is confiscated. Please help us help your child to know the boundaries of their devices.

Thanks for working together with us at CHC. Your children are wonderful!

returned.**

BOOK FAIR IS HERE!!!!

10/2-10/12

Open to students during Language Arts classes, lunches (with a pass)

Open to parents and students during Athletic Awards night, the 8th grade choir concert, and Student-Led-Conferences

CHC Counselors will be located in the main lobby during student led conferences. If you need to complete a 21st Century Scholar's application, free/reduced lunch application, or have a question for your child's counselor, please stop by our table. There will also be a counselor from the Area 31 Career Center available to talk about their program.

On Wednesday evening, we will have a representative from the 21st Century Scholar's program in the 1st floor computer lab (F6). She will be available to help with the online application and to answer any questions.

Parents, please take a few minutes to visit <http://scholars.in.gov/> to learn more about Indiana's Scholarship Program. Students must enroll for this opportunity in middle school.

8th grade students will begin working on their 9th grade course selections and 4-year plan when we return from fall break. You will receive a letter over break with more information about this process. If you have any questions, please contact your child's counselor.
