21st Century Scholarship Final Call for 8th Graders

Time is starting to run out for 8th grade students to apply for the 21st Century Scholar's program. 7th and 8th grade students were given applications last week. If you want the school to complete the application for you, the paper application needs to be turned into either guidance office by **May 30th**. After that, 8th grade students will have until June 30 to complete the online application on their own. 7th grade students still have next year to apply, however, we encourage all families to apply now.

Attached you will find the 21st Century Scholars paper application. You can also access the application at the following website <https://scholars.in.gov/parents/>.

Any students who turns in a completed application or an online confirmation number this week, we will receive a SWEET TREAT! We will also raffle off a couple gift cards next week. Any student who has applied will be entered into the raffle.

If you have any questions or need to know the status of your child's application, please see your child's counselor.
