HOLIDAY GIVING CONTINUES AT CHC

CHC will be adopting 3 families for Christmas this year. We will begin selling candy grams next week to help raise money for our adopted families. If you're interested in sending your student a candy gram, all you need to do is come into the main office next Monday-Friday. Candy grams will be on sale for \$1.00

NJHS and YMP students will be participating in our service project this year. Later this week, students will bring home a list of items needed for our adopted families. We appreciate any donation that is given. We will also ask for some student to volunteer their time as we work on this service project.
