A Message from Mr. Mark...

Parents/Families **WE NEED YOUR HELP!**

Please talk with your student about proper dress code. Students should not wear hoods, hats, or bonnets on their heads in the building. Students will be asked to remove them and if they continue to wear them, they will be assigned a Thursday school or further progressive discipline.

Make sure your student continues to wear their lanyard and ID during the school day.

Remind your student that they are not to use their phones or earbuds/headphones/earpods during the school day. We are beginning to see students wearing earpods more and students attempting to use their phones. We have done an excellent job all year with very few phone issues and we would like that to continue.

We are approaching Spring Break and this week would be a great opportunity to do some spring cleaning with your student. Please help your student clean out their back pack and email. It would also be a good time to sit with your student and discuss, clean up, and monitor their social media accounts and social media footprint. We want our students sending and sharing positive messages about themselves on social media.

Parents I will be out of the office this week attending a conference that focuses on a number of important issues in education such as:

- What's New in Social Media
- Creating Student & Staff Leaders
- Empowering female students
- Empowering Parents with Data
- Restorative Discipline Strategies

If you need help with anything please contact a guidance counselor, Mr. Kline, or Mrs. Keller. Thank you for all your help and support in addressing these issues with your students.

Thank You

Mr. Mark
