Dear CHAPEL HILL Students and Families,

2021-2022 is going to be a great school year at Chapel Hill! You will work hard in your classrooms, and you will find many extra-curricular activities which are fun and exciting!

What can you do to make certain you finish successfully?

- **Stay Organized:** Plan and prepare for every week. Develop a system of organization that you will use throughout your academic career.
- **Stay Connected:** Connect to Chapel Hill in the classroom and through our many clubs and groups that give students that opportunity to develop and grow interest.
- **Stay Informed:** Keep parent contact information up to date. Communicate with teachers and take advantage of our parent and student education workshops we have throughout the year. If you need help, ask for help. There are adults all over the building that are here to help you be successful.

Sincerely,
Kelin Mark, Sr.
Principal
